

## Framework agreement

Between

KARADENİZ  
TEKNİK UNIVERSİTESİ  
KARADENİZ TECHNICAL UNIVERSITY  
1955

**Karadeniz Technical University  
(Faculty of Technology), Turkey.**

&

جامعة غليزان  
RELIZANE UNIVERSITY

**Relizane University  
(Relizane, Algeria)**

Considering the desire of the **Karadeniz Technical University (Faculty of Technology)** and the **University of Relizane** hereinafter referred to as the Parties to cooperate within the framework of various teaching and research programs, with a view to increasing the qualifications of the teaching staff and students of the two universities;

Considering the common desire of the Parties to develop, by means of this collaboration, their teaching and research resources in the fields of their competence and to diversify and deepen the privileged teaching and/or research themes and for which an interest direct is manifested;

Considering the general interest of encouraging such international collaboration on a basis of friendship, equality and mutual assistance;

The Karadeniz Technical University (Faculty of Technology), located at Turkey, represented by its **Prof.Dr. Umut Topal**, on the one hand, and the University of *Relizane, located at Cité Bourmadia, W. Relizane BP 48000, W. Relizane* , represented by its Rector Mr. Bahri Ahmed on the other hand, agree as follows:

### Section 1:

This Agreement comes into force on the date of its signature by both Parties.

**Section 6 :**

The results and information relating to academic scientific research and development projects carried out under this agreement shall be announced, disseminated and commercially exploited by mutual consent and in accordance with international copyright law. In the case of a joint scientific production, the details concerning the intellectual property will be the subject of an amendment which will be subject to the approval of the various contracting parties.

**Section 7:**

The Parties undertake to explore the financing possibilities necessary for the implementation of the cooperation actions, within the framework of compliance with the regulations and procedures in force.

**Section 8:**

Any dispute concerning the interpretation or application of this agreement will be settled by the Parties amicably or through diplomatic channels. In the event that it turns out that it is impossible to reach an agreement, the dispute is resolved by recourse to a commission made up of the parties concerned who undertake to implement its proposals.
